Jo Jo

Jo Jo's jubbies are certainly something to write home about. It's just a shame home is just round the corner and dad's the post-man. Still, at least we get a load of her lovely lungs. "I so want everybody to see my tits," she told us while shoving them in our face. "I'm well into having a few blokes standing over me and wanking themselves like silly. All I want is a splat of spunk landing in my mouth. If I don't get that then I'll suck a fella off and wait for him to ball-cough his whole lot down my throat. You can't beat some warm dripping spunk sliding slowly down my throat – if I haven't gulped the whole lot down!"

Raining cum

There is nothing that my boyfriend and I look forward to more than the summer because it means lots of naughty outside sex.

Living near the country means a fantastic open air shag is only minutes away.

Just recently we took advantage of a break in the clouds and grabbed our bag of toys and camera and headed for our nearest outside opportunity.

It was great sneaking to the car, wondering if any of the neighbours had spotted my tarty shoes and the stockings under my coat.

So as we drove off my legs were spread and my feet were on the dashboard.

Judging the bulge in my fella's jeans he was happy to accommodate my saucy needs. I insisted he wait until we'd parked up and gone into the woods.

When we were out in the open he wanted to take some photos of me. I have turned into a proper slut recently as I need to have pictures of my wet juicy pussy before all of our sexual adventures.

The only problem is when he starts snapping I want to start fucking – it turns me on so much to be showing the world all my glory.

So before long I had to have him. While pressed up against the nearest tree I slipped my hand into his jeans only to find he had come as well prepared as I had with no underwear on.

With such a hard cock I could not help myself but fall to my knees on the muddy ground and hungrily suck on it. With every mouthful my cunt throbbled just a bit more.

The taste of pre-cum was so delicious but I felt more than cum on my lips

– it was starting to rain.

With my legs in the air we fucked hard with only the muddy grass beneath us.

It felt really erotic with the rain falling all over my tits, and did not take long for me to cover his huge prick with my juices before he spunked inside me.

The only problem with our outdoor love was getting back into the house covered in mud, grass stains and you know what!

Robyn, Kings Lynn.

Bottoms up

I've always been bisexual so when I got a letter from Jane telling me her fantasy was to suck and lick wine from my pussy I was very excited.

We met up in a hotel room where I found she'd prepared a blow-up paddling pool. Next to it were three bottles of vino.

On her instruction I got undressed to my knickers and sat in the empty pool.

Then she slowly started to pour wine over my tits.

As it trickled over my body Jane started to lick and suck

and the winey droplets. It was a huge turn-on.

Soon Jane was licking me all over. She bent down while getting me to pour the wine over myself.

I could feel it running through my knickers like a sieve. She was drinking wine through the gusset before tearing them clean off.

When there was just one bottle left it was my turn. She was lapping the wine from the bottom of the pool so I took advantage of her inviting arse.

I poured wine into her arse crack then chased it with my tongue. Jane moaned and pushed her lovely arse back into my face.

With all the bottles empty we got into a 69 position and licked each other senseless.

An hour later and I could still taste the sweet wine on her pussy, although now it was mixed with her own juices.

It was an experience I can recommend – just lying there in the wine, totally satisfied, kissing and sucking each other for what seemed like an eternity!

By the end of the evening we were very intoxicated – and it wasn't just because of the wine!

Letters to Julia

Dear Julia, Great to see Katie K again in vol 29 no 2. She is one sexy woman with those nicely rounded tits and well-trimmed pussy. I would gladly lick all that sticky syrup off if you're looking for volunteers. Then again she could always toss me off and I could unload my sticky mess on her tongue for a treat. Any chance of having Katie K in every month? Who said 13 was unlucky? Mark, Dudley.

Katie K

Julia says: Believe me, if we could get Katie K to appear in every issue, we would. The problem is she loves sex so much she rarely answers her phone these days and when she does she sounds like she's got a mouthful of the white stuff. And I'm not talking about the pancake batter!

Dear Julia, I've never thought of what it would be like to be an inanimate object before, but ever since I saw the pictures of the beautiful blonde babe Theo dressed up as a French maid in vol 29 no 3 I've dreamt of being a feather duster. I can just imagine it, I would tickle all her naughty parts and then clean up the mess afterwards.

Theo

What inanimate object would you be? Craig, London.

Julia says: The Ed reckons I'm already an inanimate object but after working here so bloody long I think I'm entitled to put my feet up every now and then!

REAL WIFE SEX

*Cathy, 26,
Tranmere*

When kinky housewife Cathy slapped a sex ban on her fella they couldn't wait for it to end...

Me and my husband Dave have just bought a new house and we've spent the last few weeks doing it up. We both took some time off work to get it done but the problem is we can't go a few hours without shagging each other.

I'll be up a ladder painting the ceiling and he'll come up behind me and start rubbing my legs. I only have one of his old shirts and my knickers on so it's easy for him to get his fingers inside them.

Having such a sensitive pussy I soon have to climb down from the ladder and let him fully satisfy me with his cock.

These impromptu fucks were really slowing us down and, knowing that we both had to go back to work in a few days, I slapped a sex ban on him, demanding that he could only fuck me once we'd finished doing everything in the house.

Being such a randy cow it was difficult for me to abstain but I kept myself going with the occasional sly dildo session when Dave had gone down to the DIY shop.

A few days later and everything was done so while Dave took a final trip to the tip I ran myself a bath – in our spanking new bathroom.

***I began to
wank him off***

I stripped off and got into the bath. After weeks of having to use next door's shower it felt great to be in the privacy of my own bath. As you would expect it wasn't long before my fingers were between my legs.

I rubbed at my pussy lips until they

were nice and loose, then I slid a couple of fingers in to seek out my most sensitive part in no time. After five minutes or so of playing with myself I came, my juices running into the warm bath water.

Continuing to play with myself I was just on my way to my second orgasm when I heard Dave arrive home. He called out to see where I was and I told him I was waiting in the bath.

He was upstairs in no time, standing at the edge of the bath with his tracksuit trousers round his ankles offering me his stiff cock.

"Come on, love, I'm dying for you to suck it!" Dave said.

I reached out of the bath, covered his cock in some foamy water and began to wank him off.

I then got on to my knees in the bath, leaned over the edge and took him in my mouth. I circled his

SPLASH Y

After giving him a quick scrub all over Dave started rubbing at my pussy. He could feel how loose my lips were and automatically knew I'd been playing with myself prior to his arrival.

"Couldn't wait then?" Dave asked just before taking one of my breasts in his mouth. As he tongued my nipple I told him I wanted to be ready and willing for him – after all, I'd had to go without sex for just as long as he had!

Dave went from tit to tit with his mouth while his fingers thrust in and out of my wanton hole. Eventually he got me to stand up in the bath so that he could lick my pussy.

He buried his

bulging helmet with my tongue until Dave begged me to take his length.

It slid perfectly into my mouth and when it was touching the back of my throat I bobbed my head back and forth, fondling his near-bursting ball bag at the same time.

Dave groaned with every suck and thrust his cock hard in to my mouth. As I hadn't had it for a few days I wasn't surprised by his early ejaculation as his cock-end exploded inside my mouth.

I struggled to contain all the cum in my mouth but the quantity I did was soon swallowed with a satisfied gulp. Dave pulled his cock out, undressed himself completely and climbed in the bath with me.

With a pair as whopping as Lancs lass Michelle's there's no room up front so she has to ride in the back. But she doesn't mind it in the back at all. "I love being bent over and taken from behind," the generously-chested 29-year-old told us. "Actually, I like being taken anywhere!"

A woman with blonde hair, wearing a denim skirt, is sitting on a kitchen counter. She is holding two small round objects, one in each hand, and looking at the camera with a smile.

Forget Gordon Ramsay's Cookalong and join in Chloe's Cockalong. The 35-year-old housewife is just as foul-mouthed as the fiery Scotch and just as likely to do the dirty on her other half. "Last week I went to a party round a friend's house without my fella. I spent most of the time in the kitchen, like you do – although I was being bent over the worktop and having my pussy serviced by a couple of young lads. I left in the wee hours of the morning with lashings of their fresh hot cum dribbling down my thighs. Filthy or what?"

"My husband loves his rugby and I often go down to the clubhouse after a match," says housewife Jacque (25). "On this occasion I got a real mauling off the lads! It was so horny... let's just say it was a real cum-scrum in my knickers by the final whistle!"

Boss toss

How could a woman do the dirty on a man like that? I thought this to myself when I met my new boss, who had just split up with his wife, all the time thinking about how I could get his cock out of his trousers and into my mouth!

I work in an office. I'm 25 and my boss is 42, just divorced on grounds of his wife's adultery.

I'm the office flirt, so we soon got chatting. I soon learned he was impressed with my sexy red underwear.

I flashed the tops of my stockings at him and couldn't resist bending over to get files from bottom drawers in front of him.

A couple of times I caught him grinning and another he

gave me a cheeky slap on the arse when I bent over a second or two too long.

The next morning I slipped on my red lace basques and matching thong. As I slowly rolled up my stockings, my hand gliding along my thighs I squeezed my pussy in anticipation of Len's hands all over me. I just had to have him.

Last Friday night I was wearing my evening clothes – a short slashed skirt and a low-cut red top. "Out tonight then?" he said, from the other side of my desk.

"I was hoping you would say that," I grinned. "So, where are you taking me?" I ran my fingers along the cuff of my jacket, just enough for the top of the red lace to show. "I'm taking you right here, right now," he exclaimed. With a crash he

Gemma, Haringey

Wiggling around to get his whole length in, he placed his hand on my hips, forcing me down on to his big dick. Then we

pulled the blinds down. Then he almost ran over to me, and pushed me hard back over my desk.

"You are fucking sexy," he muttered into my neck as he kissed and licked my skin – his breath was hot and as he pushed his erect cock against me I knew he needed me as badly as I wanted him.

We frantically pulled each other clothes off until I was naked as a baby and ready to be fucked like crazy.

He lay on my desk, and I straddled him to push my cunt on to his pulsating prick.

began to fuck hard and fast, my tits jumping around all over the place till he put his hands on them.

We fucked like that for a good while until he gasped, "I want you doggy-style!"

I got on the floor, kneeling on all fours. He spread my arse cheeks apart and he spat on

my arse aiming perfectly onto my fuck hole.

Before I knew it he was licking and sucking my arse, rimming me to orgasm.

It felt fucking amazing – soon my fingers found their way inside my cunt as he fingered my arse wide, ready for my fucking.

He inched his cable into my arse. As he did he slapped my

arse, calling me a naughty girl. I could feel my bottom burning – the cheeks and the hole!

I had no idea at the time but I must have been screaming out really loud in ecstasy as he fucked me.

I imagined workers gathered at the window of his office door, watching as he fucked my holes.

I wanked my clit hard, feeling the heat and juices from my cunt flowing down on to the carpet as he fucked me.

As I exploded all over my hand he came too. Withdrawing his cock he flipped me over on my back, I panted to catch my breath and his thick cum spilled onto my stomach.

We left for our night out, with some colleagues giving us very funny looks. I must have been making more noise than I intended!

KATIE KLOSE UP

After raiding the sales at their local sex shop, Katie K and Theo couldn't wait to get home and try on their purchases. In fact, they were so excited they had a quick fiddle with each other on the bus but the real fun started when they were tartered up. "Doesn't Katie look absolutely ravishing in her naughty nurse outfit?" asked an equally ravishing Theo. "I'm going to let her wield the whip because I love having my arse and cunt spanked. I'll pretend it really hurts me so I start pleading with Katie to tend to me – with her tongue!"

Dark lark

I was in my local pub and had only had a few glasses of wine but was feeling very horny. The more I thought about having a hard cock pushed inside me the wetter I was becoming.

I rang my boyfriend, Simon, and asked him to meet me in the field behind the pub when he'd finished work. It was quite dark but I went out there early to get myself comfortable.

I had my vibrator with me, which I always carry for emergencies.

I pulled my fanny lips apart – I didn't need to get myself wet as I was already soaking.

First I inserted two fingers, imagining Simon's hands all

over me. Then I inserted the vibrator which slid up there with little effort. I was soon gagging for cock.

Then I noticed a dark figure in the bushes. It came towards me.

"Thank goodness, it's you," I said. "I've got myself really wet."

With that he bent down between my legs and peeled off my knickers with his teeth. He was licking and teasing me with his tongue.

I could feel his big, hard cock throbbing in his trousers. I unzipped them with my teeth and yanked them down round his ankles.

I licked from his balls to his throbbing helmet. He thrust his hard cock deep to the back of my throat – it was

dripping with juices.

He seemed bigger and harder than normal but I was so lost in sexual abandonment I didn't care.

He slapped my arse and turned me over then thrust his hard cock inside me. His hands were holding my hips, pulling me hard onto his cock and then he started tweaking my nipples.

As he fucked my pussy he grabbed hold of the vibrator I'd been using earlier. The next thing I knew he had pulled my arse cheeks apart

and was sticking it up there.

I could feel he was close to cumming as his cock was pulsing inside me and that turned me on even more.

Eventually he came inside me with a large moan. I came too, squirting all over his cock and balls.

Before I could tell him how good that was, he left.

I thought he was mucking about but when I heard Simon's voice five minutes later asking me where I was, I realised I'd just been fucked by a total stranger.

REAL WIFE SEX

Cathy's story continued from page 21

face in my snatch and I felt his tongue lap about my folds. Pretty soon he was focussing on my clit and flicking it deftly with his tongue. At one point he moved round to my arse hole and gave that a good rimming.

I don't often let Dave fiddle with my bum but it was nice and relaxed following my warm bath. Plus, I was feeling ever so horny so I didn't mind as one of his fingers slipped up there.

As he fingered my bum he still had another couple up my cunt. I fondled my boobs, paying particular attention to my nipples, and it wasn't long before I was cumming again.

My knees turned to jelly so I had to sit back down in the bath, but before I could get comfortable Dave was grab-

bing my waist and telling me to lean over the edge of the bath. Then I felt his knob being pushed into my twat.

He was back to full hardness and eager to fuck me. I leant over as far forward as I could and took his length. At

He buried his face into my snatch

first he slid in and out of me with very slow strokes but on my request he sped up.

As Dave fucked my twat he resumed fingering my arse, this time managing to slot two fingers up my shitter. I felt well and truly stuffed but begged Dave to do

me harder.

He didn't disappoint and water was slopping over the side of the bath as he rammed me rigid for a good five minutes.

Just as I orgasmed again and my pussy thought it couldn't take anymore Dave let out an almighty yell and with one final shove, he came.

The spunk flew

out of his cock, which he promptly whipped out of my hole so that he could spray my back with all his sticky spunk. We both fell back into the bath and lay there getting ourselves together again.

After a couple of weeks of intensive DIY and some equally intensive sex we were well and truly knackered! 🍆

If you want to know why Paige (24) has got such a saw pussy it might have something to do with all the wood she's been working. The chirpy chippy cherub loves leaning over her workmate and getting nailed. And he doesn't mind it either. "When I watch my fella work, it gets me really horny. I start rifling through his tool bag finding things to masturbate with. A hammer is a particular favourite as the handle is nice and sturdy although I don't think my fella's pleased with the mess I leave on it!"

Sexy strut

My fella Mike is always up for me doing rude things in public so when I got the chance to suck off a stranger he was more than happy.

We'd been out for the evening and since it wasn't raining we decided to walk the few miles home.

I'd taken my high heels off and kept running ahead of Mike to flash my arse at him.

I wasn't wearing any knickers so he had a good view of my bare bum.

What neither of us had noticed was a guy walking on the other side of the road. He'd obviously had a skinful too as he started shouting across the road how sexy my arse looked.

Mike started joking with

him and said he was welcome to it if he wanted. I pretended to be offended but really I was desperate for another dick up me.

Eventually the guy crossed the road and joined us. I kept flashing my arse at him and was a bit surprised when he started groping it.

I looked back at Mike and he was encouraging me. I thought what the heck, turned round and dropped to my knees right in front of the guy.

He stopped in his tracks just as I came face to face with the bulge in his trousers. Within seconds I had whipped it out and was moulding it in my hand.

I licked the tip and he groaned with pleasure. Mike had stopped a few metres away and was

watching me be a total slut.

The stranger shoved his prick in my mouth and started thrusting. I struggled to hold it at first but then got into a good rhythm.

I noticed Mike was now wanking himself off at the spectacle and so I really put on a show.

I pretended I was one of the filthy porn stars in one of Mike's mucky vids and I was soon begging for a second cock to shove in my mouth.

Mike stepped over to me and wedged his cock in my mouth. I had never put two in at once before – at least not

Trim-endous!

There's nothing I love more than licking pussy and when my wife Rachel shaved her pussy for the first time I was more than made up.

I don't mind licking a hairy pussy but you can't beat a smooth one. Rachel had always been dead against it because she reckoned it made her itch but after a recent row – which was her

fault – she decided to make it up to me.

I came home from work to find her fresh out of the bath. She had a towel around her so I didn't really suspect anything.

She told me she was sorry and then said she had a surprise for me. I followed her to the bedroom where she opened up her towel and there it was – her freshly shaven snatch.

My jaw dropped as I

pushed Rachel on to the bed to examine her shaven haven closer. I opened her legs and smiled as I saw how gleaming it was.

Before I could say thanks I was munching on her slick slit. My tongue ran up and down her hairless folds.

Using my fingers I pulled her lips apart to seek out her clit. It was there right

in front of me and my tongue went wild against it.

Rachel pushed her bare mound against my face as I ravished it. Her juices tasted sweeter than ever and this only made me work my tongue harder.

After some pretty vigorous tongue work I eventually made Rachel cum. Her whole body shivered as the orgasm swept through her.

in my mouth.

It was a bit of a tight squeeze so I had to go back to sucking one at a time until the stranger came down my throat.

He put his spent cock back

in his jeans and walked off leaving Mike to follow up in my mouth with all his creamy spunk.

I wonder what we'll get up to next time we walk home! *Nancy, Cannock.*

She was still panting heavily when she shifted round on the bed and shoved my cock in her mouth. She loves giving me head at the best of times but now she was like a woman possessed.

I let her suck me off for a while, then told her I wanted to fuck her shaven hole.

It felt really strange rubbing my bell-end against her cunt stubble and when I'd

had enough of that novelty I slipped right up her pussy.

Rachel gasped with each of my deep thrusts and I fucked her in three different positions before I couldn't hold on any longer.

The spunk streamed out my cock and flooded her pussy. As I pulled my dripping prick out I admired her shaven pussy once more. *Damien, Poole.*

Coffee mate

When my neighbour John said he'd always wanted to fuck me I went wet between the legs.

He'd popped round while no-one else was in and I ushered him through to the kitchen to offer him a coffee.

As I was standing at the sink he came up behind me and put his hands around my waist. He turned me round and kissed me, holding me tight.

When you're as randy as me you don't turn down attention like this so I let him pull down my dress.

Within minutes I was standing there in the kitchen in my bra and knickers with a near-stranger.

I was getting really turned on now. John undressed and when I saw his cock pop out I couldn't believe how big it was.

He took my hand and put it on his cock. It was big and hairy with a bulbous helmet ripe for sucking.

I started wanking him off

but he leant back against the kitchen table and asked me to suck it. I knelt in front of him and started a blow-job.

Occasionally I would pull away and lick up and down his lengthy shaft.

John pulled me up and pushed me back against the table. I lay back while John lifted my legs and removed my knickers.

He put my legs onto his

shoulders and entered. It took my breath away and he soon built up a steady rhythm.

It wasn't long before I was cumming but John went for another ten minutes.

I asked him to pull out and shoot over my stomach but he wanted to finish over my face.

He moved along beside my head on the table and wanked himself off. I opened my mouth on his command as jet after jet of cum sprayed my face.

When he left I was dripping in his spunk and spent the afternoon savouring it. *Helen, Walsall.*
